

Techwave

Techwave established in 2004, is a global end-to-end IT services & solutions company, which develops long-term relationship with clients by leveraging unique delivery models and expert frameworks.

GLOBAL TECHNOLOGY DISTRIBUTOR SAP AMS

About Client

The client is a global technology distributor of category-leading unified communications, network infrastructure, data center, and security solutions with a worldwide network of specialty resellers with a footprint of more than 70 countries. They combine industry insight and technical expertise to be the catalyst for vendor and partner success with more than US\$ 3 billion annual revenue and 30+ years of experience.

Executive Overview

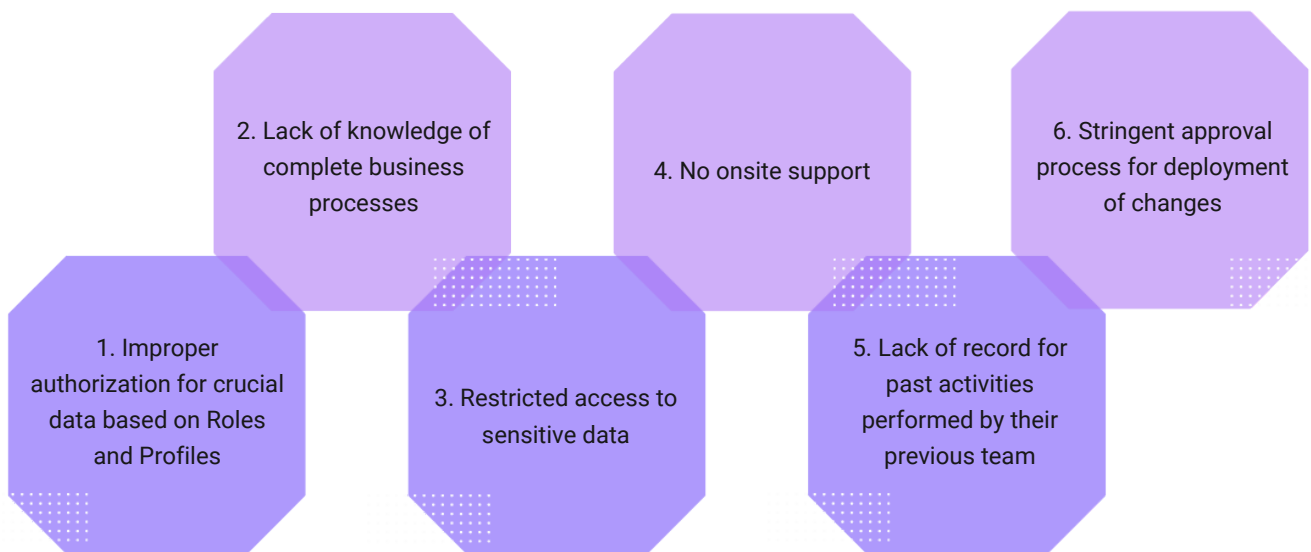

Techwave started working with the client in 2014 by taking the SAP AMS and other areas to support the transition from IBM in just two weeks of transition. Techwave supported 65 countries' rollout and enhanced partnerships by focusing on platform efficiencies and redefining data strategy.

Techwave provides 24/7 basis support to business-as-Usual Support and Upgrade of various SAP systems. From support, just a service provider initially, we expanded to get engaged in projects, and now we are focusing on driving business value to the client. The current landscape for the SAP AMS module includes SAP ECC 6.0, Vistex, SAP GTS, Hyperion, SAP APO, SAP PI, SAP BW & HANA, Hybris, RE-FX - IFRS 16.

Client's Challenges

Client needed an experienced SAP technology partner to lead a critical role in customizing and enhancing business functions like finance, FI, CO, MM, and SD. Here is the list of challenges that were affecting client's way of doing business: -

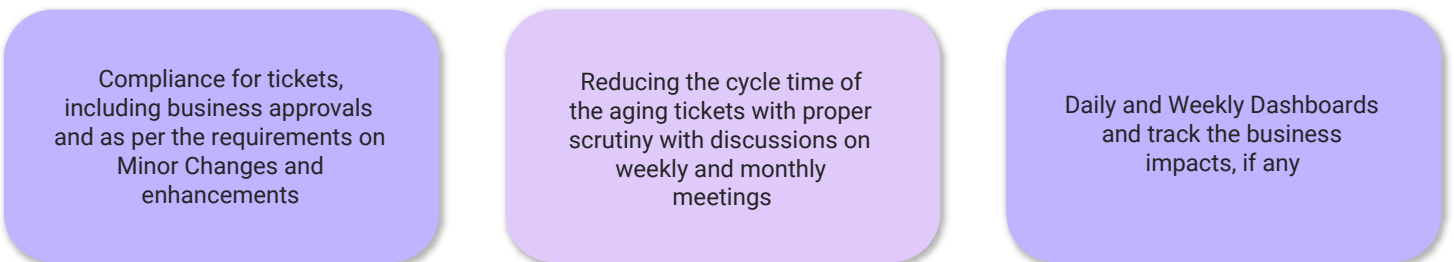

Techwave's Strategy & Solutions

Working to understand client's in-depth requirements, Techwave provided the following solutions: -

Business Impacts

Through collaboration with Techwave, the client has successfully been able to:

Why Choose Techwave?

As reflected in the solutions above, Techwave has provided expertise in niche areas for the client's third-party applications and innovative solutions to address business-specific needs and build efficiency. This resulted in productivity gains and optimal use of implemented business applications. We invest in our colleagues and recruit from leading schools and colleges so that our team has the experience, drive, and skills to deliver.

We work with leading global software vendors and Business Process management providers for your confidence and convenience. Also, Techwave is a pioneer in new and upcoming SAP and cloud applications like SAP CX/SAP SAC that simplifies e-commerce for businesses, buyers, and sellers. Our expertise in digital solutions means our services, technologies, and platforms are ready for today's challenges and future-proofed so that you can take advantage of tomorrow's opportunities. Our high standard of professional service and support back up our services.

Techwave strives to earn customers' trust daily with its skills and experience, delivering real value at every opportunity.
